S38 Missouri Archery Whitetail Hunt for 2

Safari Unlimited Worldwide has donated a Missouri Archery Whitetail hunt and describes the offer as follows: Come join us on a quality Free-Range Archery hunt in beautiful central Missouri. We are the only Licensed Guide & Outfitter hunting the pristine Mark Twain National Forest of Missouri on a special use permit. With nearly 25 sections of property within a 10 mile radius of our home and lodge, there is ample opportunity for you to harvest your trophy buck. The National Forest is dotted with private land, row crops, creeks, heavy forested oaks/hardwoods, and open fields. The SCI #2 Midwestern non-typical whitetail was taken within our area with a bow. In 2018 we will guide only 6 hunters per week on a vast network of nearly 30 stands. Missouri has a 4 point restriction which means realistic expectations of 130-140 class whitetails. Game cameras will help with stand location and buck activity. We have upgraded stands to include folding seat stands, metal ladder stands w/surround bars, pop-ups, and top notch climbers. Stands are strategically placed on corridors, trails and feeding areas. Tracts of land range in size from forty acres to several thousand. All access to stands is on foot. Stand distance can be from 100 yards to two miles from road access. Your guides will haul all your harvested game and place you in your stand; however, a GPS is a good idea. For your hunt a buck, doe and two turkeys of either sex are included in your tag. There is no charge for fishing in our 40 acre private lake, small game and waterfowl hunting in season. Hunts are conducted from September 15th thru November 7th. Most hunters arrive Sunday after lunch and depart Friday after lunch. Lodging is provided on our private estate with fine wine, gourmet meals, and a full open bar of beer and spirits. Evening meals are normally taken in the formal dining room with stories being told well into the night. 5 days /5 nights lodging, meals, beer, spirits, Guides, transport while hunting, transport to local game processor and taxidermist, fishing, small game and waterfowl in season trophy fee on 1 buck, 1 doe, and 2 eastern turkeys.
